Richmond Memorial Library  
PO Box 387  
Marlborough CT 06447

Detach and return to Richmond Memorial Library.

FRIENDS

FRIENDS

**Come be a Friend! Join us in support of the Richmond Library!**

The Friends Committee of the Richmond Memorial Library Association promotes awareness and community support of the Library. Organized as a sub-committee of the Library Board, it works with the Library Director and the Board to expand Library programs and resources.

While the Town grant and Library Association memberships provide for staffing and most basic needs, the Friends help provide the extras that make Richmond Library truly special.

The Friends are community members, like you, with an interest in literacy and providing opportunities for learning and enjoyment. The group is informal, meeting about six times each year. It plans and implements fund raising events, including book sales and an annual holiday auction. The Friends assist the Library staff with special events, lectures and summer reading programs.

The Friends work to promote the Library through participation in community events like Marlborough Day. When needed they lend a hand in advocacy efforts regarding the facility, staffing, resources and program expansion.

The Friends invite you to become a Library Friend too. Please fill out the form on the reverse and return it to the Library. A Friend will contact you. Can't come to meetings? Your help is still needed so please complete the form.
